

SPECIAL NOTE

We have a **CORRECTED COPY** of page CC-100 to change the descriptions of two pins in the MPTC Monkey set. Pin **CC 0811 22** is changed to show that Jim Newman (VA) is the sponsor of the pin. This information was not available at time of publication. The description for Pin **CC 0815 22** is changed to show the monkey is holding a banana. This helps to distinguish the difference from the CC 0811 22 pin. Both pins have a single monkey hanging from the vines.

You may recall that in the April update, we furnished you the art work of images for the PTCV Flying Circus pins. The actual pins had not been received at the time of publication. For those of you who wish to have an updated catalog for future reference, we are attaching **corrected pages CC 114 and CC 115** showing images of the actual pins.
