NOTE: There are 80 sets erroneously produced without fastener posts on the reverse. Lion Walter Johnston has the sets. If you would like to have the "variations", Lion Walter will be at the Southeast Pin Swap. If you're not planning to attend that swap, you can contact Lion Walter and make other arrangements. His email address is docwej@gmail.com

Field of Soy Beans With the Seed Bag

NOTE: This is the 2nd in an eventual 4 pin set. The first one on page FG 37 should have read "Seed Bag" and not "Feed Bag"

FG 0339 23
Don Ager (NH)
Hay Wagon

FG 0340 23
Meg Ager (NH)
Hay Wagon Mules

Not exactly a puzzle, but the two certainly go together.

Farming & Gardening

Feb 2023

Chickens can provide a natural “insecticide” for the farmer. If allowed freedom on the farm, they love to chase down plant-destroying insects like grasshoppers, grubs, and beetles. They also provide a constant source of fresh eggs as well as an excellent food source when finished doing their egg production. Some even provide a dependable “alarm clock” for the farmer.
