The capital is Boise and the **Malad City** Lions Club in 1923 became the first club in the state to join Lionism.

**1965 Metal**

This is an early pin issued in several years by the Idaho Lions. There are numerous colors and shades and these are but a few samples of the ones we have available at the time of publication.

As you can see, paint colors are lighter on the variations all the way to white. We feel that this was the result of the factory using different shades of paint as all shades could be found immediately after the pins were issued. Paint remixes often happen and result in collectors thinking they have faded pins

The obvious color differences in the 83, 85, 86 and 87 pins could be as a result of the different amounts of epoxy applied at the factory during the manufacturing process.
