

## LITPC "Blue & Red Shirts"

We now have LITPC "Blue & Red Shirts" orders can be placed at any time. Please note that if you wish to have your shirt mailed, there is an additional mailing fee, as explained on the order form. To avoid this charge, you can indicate that you will pick up your shirt at one of the pin swaps indicated on the form. We have listed a number of pin swaps as possible pick-up points and will try our best to accommodate you. The shirts include the LITPC logo over the pocket on the front, as well as the Lions emblem on the sleeve. Let us caution you that when indicating the size, these shirts tend to be a bit large and will not shrink. We hope that you will make it a habit to wear your Blue or Red shirt at least one day during a swap or convention.
