### *President PCC Lion Mike Gutyan*

Welcome fellow Lions International Trading Pin Club members to the second hundred years of Lionism and the beginning of another great year of Pin Swaps and friendship.

The Centennial Convention in Chicago was a “WOW”. There were a few disappointments concerning the location of the trading area and the distance between it and other facilities. However, pin-traders being the adaptable enthusiastic type Lions that they are, positive attitudes prevailed and trading traffic was the usual fun and busy time. Many visitors, the curious and the interested, made their way to our area to join in the fellowship. About 240 new LITPC members were registered in Chicago and we send a big “welcome” to you and hope to meet many of you at future swaps. We also welcome newly elected officers: PID Steve Sheer, 2<sup>nd</sup> VP, two-year Directors Lion Jerry Craiglow of North Carolina, PCC George Lonneman of Kentucky and Lion Jeff Hilke of Missouri. The LITPC was also represented by Past Presidents Bill Prucha, Bill Sour and myself as volunteers of the Host Community. We had the pleasure of meeting and greeting parade participants at the dispersal area and distributing water

to thirsty Lions from around the world. Thank you to all the members that attended the International Convention and shared history in the making.

The next Board Meeting will be held in November at the Winchester, Virginia Swap. All are welcome to the business meetings of the LITPC.

Words escape me to express properly the honor I feel being elected as the 23rd President of this great organization. It will be my pleasure to serve the membership that has given me this privilege and I pledge to do my very best. Together we will help one another and grow our organization because .....

Pin Trading is what we do ..... Lions are who we are.
