

LOUISIANA - MD 8

LOUISIANA is in the Southern region of the United States with a population of 4.5 million residents. The heritage of the state is a multilingual one consisting primarily of French, Spanish, Native American, and African. It is named after King Louis XIV of France. Originally part of the French Colonial Empire, it stretched from Mobile Bay to the Canadian border. The capital is Baton Rouge and the first Lions Club established in the state was **Downtown Shreveport** in 1917.
