

## NEW JERSEY - MD 16

**NEW JERSEY** is in the Northeastern and Middle Atlantic regions of the U.S.A. with a population of 8.8 million residents. It was one of the original colonies and became a state in 1787 (the third). Several decisive battles were fought in the state during the American Revolutionary War. It is now the most densely populated state in the Union. The capital is Trenton and the **Camden Lions Club** became the first club to be chartered in the state in 1920.
