

OHIO - MD 13

Ohio is in the Midwestern region of the U.S.A. with a population in excess of 11,500,000. It was the 17th State to be admitted to the Union. **Cleveland** was the first Lions Club organized in the State in 1920. The Capital City is Columbus. The name "Ohio" comes from the Iroquois Indians and the citizens in the State are often called "buckeyes" in recognition of the buckeye trees within the State.

The Mini Presidential pins are being shown as most pin traders have them in their collections. These are personal pins issued by a PDG and are not official issues of MD 13.

According to our reliable source, the 1965 was made by an individual in MD 13. The only tie bars that are official are the 66, 67 and 68. This is an excellent example of someone altering an official pin, the 65, and trading it as though it were issued officially.

NOTE: The Helen Keller pin was not approved by the Council of Governors. We understand it was issued by an Individual Lion.
