Catalog of Pins and Sets Issued by the Pin Traders

Lions International Trading Pin Club Campaign 100 Medallion

Dear Fellow Pin Traders

Your LITPC Board of Directors voted recently to participate in the LCIF Campaign 100, which is the Foundations new program to raise over \$300,000,000 to expand our services in such areas as vision, disaster relief, diabetes, childhood cancer, hunger, and the environment. The LITPC Board of Directors vote in support of this Campaign 100 was for an initial pledge of \$50,000.00.

To kick off our fundraising, a LITPC Campaign 100 Medallion (shown on next page) has been designed and will be numbered on the reverse from 1 to 100. In this connection, there have only been 100 Medallions produced and will be sold on a first-come, first-served basis. The number that you will receive on your Medallion will be in the order your check is received by our Treasurer. Please see the order form for the Medallion on the next page.

Our Treasurer. PDG Richard Durham, or his designee, will maintain records during the Campaign 100 effort by the LITPC to assure that your total financial support will be directed toward a Melvin Jones Fellowship or a Progressive Melvin Jones Fellowship for you or to whomever you desire.

It is our intent to publish periodic updates to this initial catalog to show ALL pins and sets offered for sale in support of Campaign 100. When you or your pin trading club decides to issue such pins, I will feature them in subsequent updates upon receipt of the pins. I will need the order form data as shown on the Oklahoma offering. Since there will be no “freebies” for anyone during this campaign, and as a sign of my support for the LITPC effort, I will purchase the issue or issues upon receipt of same for inclusion in the catalog. Please send the pins you wish to be included in the catalog to the address shown below.
