The Wild West Shows

Featuring THE ICONIC WILL ROGERS STANDING ON THE BACK OF A LONGHORN STEER

William Penn Adair Rogers was born on 4 November 1879 as a citizen of the Cherokee Nation in Indian Territory, which is now part of Oklahoma. He traveled around the world, made 50 silent films and 21 “talkies”. He was also a renowned writer and wrote more than 4,000 nationally syndicated newspaper columns. He died tragically on 15 August 1935 in an airplane crash near Point Barrow, Alaska.

Multiple District 3, Oklahoma, has honored this “Favorite Son of Oklahoma” with their 2024-25 trading pins shown above.

RIP Mr. Coon Rapids
"Riding Into the Sunset"

Lion Bill Guthrie of Minnesota has advised that the Coon Rapids Lions Club, which has been issuing a yearly pin for the past 50 years featuring Mr. Coon, has decided to end the series. Although it may be somewhat of a stretch to include this in this Old Wild West Catalog, we feel the Coon Rapids Club has been so dedicated to the issue of pins that many of our members collect, the least we could do is help the Club spread the word. We trust you will understand.

The Old Wild West

Mar 2025

The last two years we have had a five pin set for trading during the Swap. It has proven to be such a success, we have decided to offer a set this year featuring the Wild West theme.

When you arrive at the Swap you will have an opportunity to purchase five pins for \$15.00, which will be used to help offset the cost of the pins and the swap. However, you will only receive one color of the pants on the pins. The object is to keep one of your pins and trade for the others with traders who have received different colors. This promoted a lot of true pin trading the last two years and we hope it will do the same this year.

WELCOME TO OLD-FASHIONED PIN TRADING.
