Fellow Traders,

Lion Gloria and I hope each of you are having a great Holiday Season and that 2025 will be a good year for you.

I want to thank and congratulate the Virginia Lions for pulling off another great Swap in Midlothian in November. The fellowship was rampant and trading was fast and furious. The current Wild West series is off and running. It is not too late to get involved; check out the LITPC website for details. I hope you can make one of the upcoming swaps. It is always good to see old friends and meet new ones.

LIPTC Past President Chaplain Bob Walker is doing a good job keeping us up to date on sickness and distress. However, he cannot do this unless he knows. If you are aware of situations that need to be shared, please let Chaplain Bob know.

You still have six months to earn the special medallion for sponsoring two or more members. So far, 18 of us have brought in almost 50 new members. Although this is very positive, we may be losing 200 plus members due to non-renewal of dues.

It is hard to imagine that I am three fourths of the way through my two-year term. It will appropriately culminate at the Annual Meeting and Swap in June in Asheville, NC. Lions Randy and Pat Hall are continuing to work with the facility in Asheville to be sure all arrangements are complete. The Lion Pin Traders of North Carolina are excited about hosting this event and hope many of you will come join us.

Happy New Year, Happy Trading and we hope to see you at a swap or convention soon.

Sincerely, Gene English, PDG
LITPC President
